To Whom it May Concern

Re: Kerry Jenkins, Babysitting Marbella

I am writing to recommend the services of Kerry Jenkins as a childcare provider. I have used Kerry's services to look after my two children (now 10 and 6) for the past couple of years when visiting family in the Marbella area, and can thoroughly recommend her as an honest, trustworthy and fun nanny / babysitter for anyone who needs family support.

Kerry immediately engaged the children's attention and got them happily playing games when the weather wasn't great, and took them out for some fun day trips when it was good. She was clear and firm with them when required, but also gave them lots of treats and fun so that they really enjoy seeing her again when we are visiting. Kerry also babysat in the evenings on several occasions, cooking healthy, child-friendly food, bathing and putting them to bed.

I have no hesitation in recommending Kerry to anyone looking for childcare in the area.

Yours
