

To whom it may concern,

I am writing to you with respect to the professionalism and kindness of Kerry Jenkins

I met Kerry last year and she has looked after my sons on numerous occasions, my eldest son talks a about her regularly. My sons adore Kerry and this is a result of her natural affinity with children, as she is fair and just. Kerry, totally cares for those in her care and the children relate to her because of this and they have formed a mutual relationship. She is however, firm and fair which I as a mother think is one of her strongest qualities and the one that children respond to.
