## NANNY

Regularly worked as a babysitter for children from three different families. Served as a nanny/babysitter for various local families and friends. Created and supervised suitable activities while maintaining a consistently safe and comfortable play environment. Responsible for organizing games and events, including children's parties. Frequently cared for my two younger sisters, ages 4 and 1. Collaborated with parents to ensure all their needs and requirements were met. Offered encouragement and emotional support to the children. Assisted with dressing and performed additional assigned tasks. Possess basic First Aid knowledge to handle emergencies, including wound care and dressings. Committed fully to these responsibilities.

## MY VIEWS ON CHILD CARE

### MY PERSPECTIVE ON CHILD CARE

I have a deep passion and affection for children.

I believe in nurturing children and supporting their growth, exploration, and learning.

I recognize the diverse needs and demands of children and can effectively communicate with various age groups.

I demonstrate understanding, patience, and consistency while maintaining high standards.

I bring a fun sense of humor and abundant energy.

I value forming strong bonds with the families I work for.
